

TIX
HANDHELD

Affordable Wi-Fi®.

The handheld with the big colour screen.

With built-in Wi-Fi® and Bluetooth® technology, this is the wireless device you've been waiting for. Browse the web and check email from your office, campus or home network and places like airports, cafes and hotels¹. Carry your Word, Excel and PowerPoint files² and get more done anywhere. Web pages, presentations, spreadsheets, photos and videos come to life on a large colour screen that rotates from landscape to portrait mode. Have time to unwind? The Palm® TIX handheld even lets you listen to MP3s³ and read eBooks. It's anything but business as usual.

Features & Benefits.

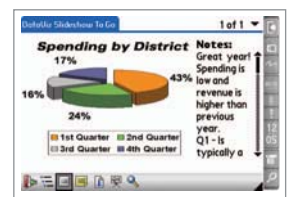

1 Built-in Wi-Fi® for browsing the web or getting directions¹.

2 Built-in Bluetooth® technology for connecting with a compatible mobile phone for web, email and text messages¹.

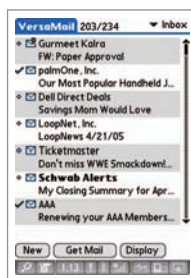

3 Edit and create Word, Excel and PowerPoint compatible files².

4 High-resolution 320 x 480 screen that rotates for landscape or portrait viewing.

5 128MB⁴ flash memory to keep your information safe.

6 Browse the web & send email¹.

7 View photos & videos of your friends and family.

8 Play MP3³ files of your favourite music.
