

Zire™ 71

The point is it's a camera when you need it.

A handheld to organise your life, a camera to capture it.

Want to get your life organised on the fly? Need some quick pictures at an impromptu gathering? Palm's new Zire 71 handheld makes it easy. View your appointments and addresses on an outstanding high resolution colour screen. Capture pictures with its unique, hidden digital camera. Listen to MP3s*, watch video clips**. And enjoy the Zire 71 handheld's long-lasting rechargeable batteries.

A digital camera when you need it.

Just ran into an old friend and want a picture? Need quick pictures of a design idea? Simply slide the Zire 71 handheld open to expose the lens and its screen becomes the camera's viewfinder. Then point, shoot, click and share with friends and family. It's that easy.

Tunes to go, and videos too.

Take your favorite MP3s* and video clips** with you wherever you go and experience high-quality sound and outstanding video clarity.

Outstanding colour. Ultra-clean images.

A new, high-resolution colour screen clearly and vibrantly displays images, graphics and type, making text easier to read and bringing games to life. And with its rechargeable batteries you'll have plenty of time to enjoy them.

*Requires expansion card, sold separately.

** Requires QuickTime. Free Internet download available.
